

Exhibit 24

LIABILITY AND SAFETY POLICY

It is the policy of the Housing Authority of the City of Bastrop that residents are strictly prohibited from having equipment or items or performing activities on Housing Authority Property (including yards, sidewalks, parking lots and drives, or other common areas) which could:

1. Cause interference with or affect the Housing Authority's insurance coverage;
2. Could result in injury or death;
3. Could cause damage to the Housing Authority property; or
4. Could increase the Housing Authority's operating costs.

This includes, but is not limited to, trampolines, inflatable jumpers or bounce houses, athletic or recreational equipment, swing sets or swimming pools of any type. (Water sprinklers shall be permitted as an activity for resident youth to cool off during hot summer months unless prohibited by the City of Bastrop's Drought Contingency Plan, when applicable.)

The Housing Authority of the City of Bastrop reserves the right to provide, or partner with other agencies to provide, special resident activities that may authorize the use of equipment or items listed above. Any Housing Authority sponsored activities will be carefully considered on a case by case basis and must ensure coverage under a liability insurance policy, is coordinated to ensure adequate adult supervision and other controls, will not cause permanent damage to any Housing Authority property and can be funded within the Housing Authority's Operating Budget. Additionally, reasonable accommodation requests for equipment or items listed above shall be considered on a case by case basis for disabled residents.
