Bastrop Housing Authority does not discriminate against persons on the basis of disability status in the admission or access to, or treatment or employment in, its federally assisted programs and activities.

VEHICLE POLICY AND REGISTRATION

Bastrop Housing Authority regulates the parking of vehicles on our property in the following manner:

- Only registered tenants and guests of tenants may park on the property.
- Only standard automobiles, SUVs and pick-up trucks may park on the property. Parking of Recreational Vehicles, trailers, Commercial trucks, Tractor-Trailers, log trucks, etc. is not permitted.
- Vehicles registered to tenants must display a Parking Permit on the lower passenger side of the front vehicle window. The number and tag will be listed in the Auto Registration file and will be available to local law enforcement agencies.
- All tenant vehicles must be properly registered and licensed by the State of Texas. Inspections, Insurance and tags must all be kept current
- Vehicles must be properly parked in designated parking spaces. Parking on grassy areas or off the pavement is not permitted. Tenants who have an excessive number of guest vehicles may be asked to have their guest park away from the development in order to allow our registered tenants sufficient parking. Please respect your neighbors and their parking. There is sufficient parking to allow one space for each tenant. If your family has more than two vehicles, you may want to make arrangements to park one of those vehicles in another area.
- Vehicles must not be allowed to leak fluid onto the pavement. If your vehicles is leaking gas, oil, anti-freeze, steering or transmission fluid, or any other fluid onto the pavement, you may be asked to remove the vehicle from the premises as this is a lease violation.
- Only vehicles which are in operating condition are allowed to be parked on the property. If your vehicle is not in driving condition, you must have it towed to another location for service. Auto repairs which take more than one day to perform must be done at another location and not on Housing Authority property.
