  - c. The effective date of service is the day that the notice is delivered or mailed, or in the case of service by posting on the door, the day the notice is posted.
2. **PET RULE VIOLATION MEETING:** If the pet owner makes a timely request for a meeting to discuss an alleged pet rule violation, the Housing Authority shall establish a mutually agreeable time and place for the meeting to be held within fifteen (15) days from the effective date of service of the notice of pet rule violation (unless the Housing Authority agrees to a later date).

This notice must:

- a. Contain a brief statement of the factual basis for the determination and the pet rule or rules that have been violated;
  - b. State that the pet owner must remove the pet within ten (10) days of the effective date of service of notice of pet removal (or ten days after the meeting if the notice is served at the meeting);
  - c. State that the failure to remove the pet may result in initiation of procedures to terminate the pet owner's residency.
4. **INITIATION OF PROCEDURE TO TERMINATE PET OWNER'S RESIDENCY:** The Housing Authority will not initiate procedure to terminate a pet owner's residency based on a pet rule violation unless:
- a. The pet owner has failed to remove the pet or correct the pet rule violation within the applicable time period specified in paragraph 3b above;

  - c. Provisions of Resident's Lease, "Termination of Lease" will apply in all cases.

**F. PROTECTION OF THE PET**

If the health or safety of a pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet, the Housing Authority may do one of the following:

- 1. Contact the responsible party or parties listed on the registration form and ask that they assume responsibility for the pet
- 2. If the responsible party or parties are unwilling or unable to care for the pet or cannot be reached despite reasonable efforts, BHA will contact the appropriate State or Local Animal Control Authority, Humane Society or designated agent of such Authority and request removal of the pet.
- 3. If there is no State or local authority (or designated agent of such an authority) authorized to remove a pet under these circumstances, enter the pet owner's unit, remove the pet, and place the pet in a facility that will provide care and shelter until the pet owner or a representative of the pet owner is able to assume responsibility for the pet, but not longer than 30 days. The cost of the animal care facility provided under this section shall be borne by the pet owner. If the pet owner (or the pet owner's estate) is unable or unwilling to pay, the cost of the animal care facility may be paid from the pet deposit.

**G. NUISANCE OR THREAT TO HEALTH OR SAFETY**

Nothing in this policy prohibits the Housing Authority or the Appropriate City Authority from requiring the removal of any pet from the Housing Authority property if the pet's conduct or condition is duly determined to constitute, under the provisions of State or Local Law, a nuisance or a threat to the health or safety of other occupants of the Housing Authority property or of other persons in the community where the project is located.

**H. PET AGREEMENT**

1. Management considers the keeping of pets a serious responsibility and a risk to each resident in the apartment. If you do not properly control and care for a pet, you will be held liable if it causes any damages or disturbs other residents.
2. **Conditional Authorization for Pet.** You may keep the pet that is described in Pet Registration Form until the Dwelling Lease is terminated. Management may terminate this authorization sooner if your right to occupancy is lawfully terminated or if you or your pet, your guests or any other member of your household violates any of the rules contained in the Housing Authority's Pet Policy and Agreement.
3. The Pet Deposit will be \$ 150.00 for pets registered on or after July 15, 2016. (Pets registered on or before July 14, 2016, pet deposit will remain \$100.00) The Pet Deposit is a refundable deposit that will be used to pay reasonable expenses directly attributable to the presence of the pet in the complex, including but not limited to, the cost of repairs to and fumigation of the apartment.
4. The Pet Owner must provide a written notice to Management in the event the pet has been removed from the premises. Upon receipt of written notice, Management will inspect the unit to determine whether repairs or fumigation is required. The Pet Deposit will be used to cover these costs, if any, and any remaining balance will be refunded to the pet owner.
5. **Liability Not Limited.** The deposit under this Pet Agreement does not limit resident's liability for property damages, cleaning, deoderization, de-fleaing, replacements, or personal injuries.
6. **Description of Pet.** *A Pet Registration Form (Attachment 1) and a photo of the pet* must be attached for each pet registered. Pets may not exceed thirty (30) pounds at **maturity**. If at any time in the future, the pet is replaced by another animal, another Pet Registration Form must be completed.
7. Documentation evidencing that the pet (dogs or cats) has been spayed or neutered must be attached to the Pet Registration or, in the case of underage animals, within 30 days of the pet reaching 3 months of age. Exceptions may be made upon veterinary certification that subjecting this particular pet to the procedure would be temporarily or permanently medically unsafe or unnecessary.
8. Documentation evidencing that the pet (dogs or cats) are current on inoculations must be attached to the Pet Registration annually.
9. A copy of the City of Bastrop Animal License (dogs) must be attached to the Pet Registration annually.
10. I have read, fully understand and will abide by the rules and regulations contained in the Housing Authority Pet Policy and in this Pet Agreement.
